AWA formed in 2002, now has affiliated clubs with land in 17 different states. AWA plans to establish 300 franchised clubs in all 50 states, by 2015. Each club will lease private land within 100 miles of their office. **Your membership in any AWA Club gives you access to all private land leased by all AWA Clubs nationwide.** You will be able to reserve exclusive use of private land nationwide to hunt every available type of wild game, plus fishing for all native varieties, and camping.

-  AWA Franchise areas still available in these states.
-  Land currently leased in these areas by AWA clubs.
-  AWA plans to lease land in these areas for next year.
-  AWA has leased land in these areas in the past, and will again soon.
